

Fee Waivers for Athletics and Activities

All Vancouver Public Secondary Schools will use the following procedures regarding students that qualify for free and/or reduced lunch:

1. Students must complete the free and/or reduced paperwork and qualify.
2. Students that qualify for either will have half their athletic or activity fee waived.
3. Students will still be responsible for their ASB fee.
4. Students must pay the half of the athletic or activity fee they are responsible for by the end of the season in which they participate.
5. If a student does not pay for the half of the athletic or activity fee they are responsible for by the end of the season in which they participate, it will become a fine. The student will not be allowed to compete in any contests in future season until the fine is paid.
6. If a student has a hardship that prevents them from paying their athletic or activity fee they are responsible for, they may appeal to the building athletic director.
