Message from the Vancouver School Board

To promote a safe, nurturing and beneficial learning environment for each of our students, and to maintain order and discipline in the classrooms, playgrounds, hallways, school buses, and school-sponsored activities off campus, the Vancouver Board of Directors, adopts policies and regulations for administering discipline within each school. These policies and regulations are designed to involve the parents and community. The policies and regulations are designed to involve the parent and student early in the resolution of discipline problems. Annually, the principal and the certificated staff of each school review these disciplinary procedures to ensure uniform enforcement.

These fees and the Athletic Clearance Packet must be completed prior to the student turning out to practice. Transportation is provided to games, but is not provided back to school. Athletes must be picked up from the off-site game/competition location.

SOCIALS

Alki has 2 All-School Socials throughout the school year. The socials are supervised and take place right after school until 5:00. Buses are provided at 5:00 to take students home. Activities include dancing, volleyball, basketball, refreshments, video games, and miscellaneous games. The socials generally require casual school clothes, but occasionally students will dress for specific themes as designated by the social committee, for example, a 50's sock hop. Specific guidelines for SPECIAL social dress will be sent home if necessary. **IF A STUDENT HAS BEEN SUSPENDED IN THE PRECEDING 30 DAYS HE/SHE WILL NOT BE ALLOWED TO ATTEND THE SOCIAL.**

LEADERSHIP GROUPS

There are many opportunities for students at Alki to establish a positive culture and effect positive change in the school. Students may choose to be involved in one of the leadership groups that meet regularly throughout the year to serve the various needs of our school.

Alki Student Council is an elected council that represents the Alki student body. They meet with an administrator once a month to discuss Alki students' ideas, questions, and concerns.

Students Taking A New Direction (STAND) is our prevention club here at Alki. STAND classroom representatives help plan prevention activities throughout the year as well as distributing information on the negative effects of drugs, alcohol, and other destructive decisions. STAND reps meet during lunch time once or twice a month.

Alki Leadership is a 7th and 8th grade elective class that students apply and are recommended for. The Leadership class works all year long on activities such as Student Chest Drive and other fundraisers, all-school socials, and Spirit Weeks.

ALKI "GIVENS" Daily Student Expectations

ATTENDANCE-alki.attendance@vansd.org

All students enrolled in Vancouver Public Schools are expected to be at school and in class on time.

Excusing an Absence

Absences may be excused for the following reasons:
(R5113)

Illness, a doctor's note is required if a student is ill for five (5) or more days in a month, unless the principal, for good cause, waives the requirement;

Health care appointments;

Emergencies, including but not limited to a death or illness in the family;

Religious or cultural activities, including observance of a religious or cultural holiday or participation in religious or cultural instruction;

Participation in a district or school approved activity or instructional program as approved by the principal;

Deployment activities of an active duty military parent or guardian;

Prearranged absences that the principal (or designee) and parent agree upon on approved activity. The school cannot excuse absences for trips taken by students unless these trips involve direct supervision by the school or the family.

Absences must be excused by a parent within three days after the student absence in one of the following ways:

Call the attendance line at 313-3220; or

Send an e-mail to alki.attendance@vansd.org; or

Enter the absence into Skyward Family Access; or

Send a written note to the attendance office

It is the responsibility of the student or parent to arrange for any needed make-up work.

Unexcused absences will result in an automated phone call notifying the parents of the absence.

Truancy

Children between the ages of 8 and 18 years of age are required to attend school. Truancy is when a student is not in school and the absence is unexcused.

After two (2) unexcused absences, the school will schedule a conference with the student and parent.

After five (5) unexcused absences, school officials will enter into an attendance agreement and plan with the student and parent.

After seven (7) unexcused absences in a month, or ten (10) in a year, the student will be referred to the Office of Student Welfare and Attendance to file an initial petition with the court.

Tardy Policy

A student is tardy when he/she enters the classroom after the tardy bell and within the first fifteen (15) minutes of class time. It is considered an unexcused absence if the student is more than fifteen (15) late to class. Teachers will address the first four tardies before referring to administration for progressive discipline.

First Tardy Verbal warning.

Second Tardy Verbal warning. Parent will be notified.

Third Tardy

Detention will be assigned. Parent will be notified.

Forth Tardy

Student will be referred to school administrators. Detention or Friday School may be assigned based on tardy record in other classes. Parent will be notified.

Fifth Tardy

Student will be assigned Friday School and parent notified.

Ten Tardies

When a student reaches 10 total tardies for all classes in a Trimester, they will be assigned Friday School

Departing Early

Students are expected to remain on campus from the time of arrival until excused. Students who ride the bus are to remain on campus once they arrive.

Students who need to check out early for illness or appointments must report to the attendance office BEFORE leaving campus. Failure to do so will result in truancy, regardless of later returning to school with a note from a parent. Parents coming to pick students up from school must check in at the main office.

Students will not be released during the last hour of school unless prearranged and approved by the principal.

Attendance Codes:

U or W-Unexcused Absence

T or L-Tardy

D-Departed Early

O-Discipline related absence

I-In-school suspension

S-School excused absence

E-Excused Absence

Pre-Arranged Absences

At Alki, we understand that it is sometimes unavoidable that families will be gone during the school year and need to request prearranged absences for their children. Prearranged absences should be made by contacting the attendance office, and students should notify their teachers of the absence as well. Students are encouraged to meet with each teacher to determine the best way to complete course requirements. Recognizing that planned classroom activities often change from week to week, it is best that students collect their prearranged assignments no more than one week before the absence. In addition, students may need to check out textbooks from the Media Center, as extra books are not available in many classrooms.

Some assignments, such as in-class activities (labs, simulations, etc.) will not be able to be pre-arranged, and must be completed upon the student's return. In addition, students should anticipate coming in before or after school when they return for classroom instruction, assessments, and individual assistance with assignments. Finally, after returning to school,

students should check with their teachers to identify any additional assignments they may need to complete. As with all excused absences, students will have at least one day to make up work for every day absent.

Ultimately, it is our goal to have each student maintain the same level of learning prior to his/her absence with as little interruption as possible to his/her education.

Students are welcome to ride their bike on the public sidewalks, but may not ride them on school grounds or in the parking lots. Bikes should never be brought inside the school building or gymnasiums. Students should understand that riding a bike to school is a privilege and take full responsibility for **securing** their bikes in the proper area.

SKATEBOARDS

Because of Vancouver School district insurance and liability policies, students may **not** ride a skateboard, scooter or use rollerblades on school district grounds at any time. **They will not be stored in the office**

DELIVERIES

From time to time a student may need to have a particular item dropped off for them at school. However, because of the disruption to a student's academic day, commercial deliveries such as flowers, balloon bouquets, and pizza may not be delivered to school. Students may not order pizza (or other food deliveries) from school, or have them delivered to school.

DRESS AND APPEARANCE

We have to keep in mind that **modest dress is an expectation** at school, just as it is in a place of business. further disciplinary action is warranted. Below are guidelines that should help you if you are not sure:

Hats are not allowed at Alki in the building except on Fridays and special Hat Days.

SAGGING PANTS

Ideally, pants should be worn at the waistline; no undergarments should be visible.

SHOES

Only hard soled foot apparel that is not distracting may be worn. No slippers or house shoes.

EMERGENCY PROCEDURES

Should an emergency or disaster situation ever arise in our area while school is in session, we want you to be aware that the schools have made preparations to respond effectively to such situations. Should we have a disaster during school hours, your student(s) will be cared for at this school. Our school district has a detailed disaster plan that has been formulated to respond to major and minor emergencies.

Your cooperation is necessary in any emergency.

1. Do not telephone the school. Telephone lines may be needed for emergency communication.
2. In the event of a serious emergency (earthquake for example), students will be kept at school until they are picked up by an identified, responsible adult who has been identified as such on a School District Emergency Information Card or SIS which is required to be filled out by parents at the beginning of every school year. Please be sure to consider the following criteria when you authorize another person to pick up your child at school:
 - they are at least 18 years old
 - they are usually home during the day
 - they could walk to school, if necessary
 - they are known to your child
 - they are both aware and able to assume this responsibility
3. If students are to be kept at school, radio stations will be notified. If electrical service is not affected, information will be relayed via the VPS website, Flash-Alert or VPS Cable. In addition, information

regarding day-to-day school operations will be available by calling the District Office, 313-1000.

4. Impress upon your children the need for them to follow the directions of any school personnel in times of an emergency.
5. Students will be released only to parents and persons identified on the School District Emergency Information Card or SIS. During an extreme emergency, students will be released at designated release areas located on school campuses. Parents should become familiar with the school emergency procedures and be patient and understanding with the student release process. Please instruct your student to remain at school until you or a designee arrives.

Please discuss these matters with your immediate family. Planning ahead will help alleviate concern during an emergency.

Should an emergency or disaster situation ever arise in our area while school is in session, the building staff at Alki has made preparations to respond effectively.

During an actual emergency or an emergency drill, students should follow all directions and conduct themselves in a serious manner.

Evacuation Plan

1. When the evacuation signal (verbal signal or fire alarm) is given, all students and staff should evacuate the building in an orderly manner.
2. Students and staff should report to their designated evacuation area. Students outside, in restrooms, or in transit should go to the nearest exit and continue to the closest evacuation area.
3. Staff should be sure that their teaching area is clear of all students. Also take a grade book or class list.
4. Upon arriving at the evacuation area, staff should account for students in their class.
5. Unsupervised students should be gathered together and supervised by a staff member.
6. Staff and students should remain in the evacuation area and await further instructions. Do not return to the building until the all clear signal has been given. During an emergency, evacuation routes or meeting areas may be blocked. Staff and students should be prepared to use alternate routes or evacuation areas if needed.

Security Alert Plan

LOCK DOWN WITH INSIDE PASSAGE

1. The security alert will be signaled by the Alki Computer Alert System
2. A description of the concern will be given over the computer system if available (i.e. intruder, chemical spill, police action, etc) Inside passage lockdown will teachers are to continue with normal IN CLASS activities.
3. All staff should check and lock exterior doors. All students should remain in their regular classes.

4. Any classes outside the building (Science, PE, etc.) should quickly move inside the building to their Inside Passage location. These classes will continue at the Inside Passage location.
5. If the alert is called during passing, all students and staff should go into the building immediately through the nearest open door. Students and staff should then continue to class using Inside Passage.
6. If the alert is called during lunch, all students and staff should go into the building immediately through the nearest open door. Students are to remain in the commons, gym, or great hall until the end of lunch. Then students and staff should continue to class using Inside Passage.
7. All students and staff should stay indoors until an announcement signals the end of the security alert.

LOCKDOWN

1. The security alert will be signaled by the Alki Alert System. This will sound a buzzer on staff computers which will deliver textually this message.
This is a LOCKDOWN. Please secure your classroom immediately.
2. A description of the concern may follow on the computer (i.e. intruder, chemical spill, police action, etc.)

Student Procedure

3. During class the students must follow the directions of the teacher. Students should sit on the floor in a “drop and cover” position.
 4. If students are outside, or it is during passing/lunch, students should report to the nearest classroom where an adult is present.
 5. During the lockdown there will be no passes. No one should leave the classroom.
 6. Students should sit quietly until further directions are given.
- All staff and students should remain in the lockdown until the “all clear” announcement has been given.

Student Release Procedures

During an emergency situation, students will be released to an identified parent/guardian only with picture identification.

In the event of an emergency situation, students will be released at the front door of the Great Hall. If the building has been evacuated, students will be released at the West End of the football field. Either area will be clearly marked with signs stating “**Student Release Point.**”

The Student Release Procedures will be as follows:

1. A parent or guardian goes to the student release station and requests a student is released.
2. The parent or guardian presents valid picture ID (Driver’s license, passport, etc.).
3. The student is brought to the release point.
4. The student is signed out on a sign-out sheet.

5. Students will not be released until a guardian arrives or it has been deemed that all students may be released safely.

Meeting Parents and Citizens

1. During an emergency, parents will be directed to the designated waiting area.
2. Members of the counseling staff, as well as one or more office staff, will report to the parent area.
3. When all students have been accounted for, parents will be directed to the Student Release area.

LUNCH

Students must stay in designated areas during the 30 minute lunch period and wait until the bell rings before leaving for class. Maps and information on appropriate lunch areas and activities will be posted in the cafeteria and in all classrooms. Students are to stay in the In-bounds lunch areas. **Open containers of food should not leave the commons.**

PATS ON THE BACK

By its very nature and purpose, much of this booklet deals with rules and the consequences of not following the rules. We would like to point out that most students are **responsible, considerate, polite**, and try their best to do the right thing in their day-to-day life at Alki Middle School.

The gratifying aspects of our school life are the positive rewards that are given to students. Some examples of rewards at Alki are:

Honor Roll

All students who maintain a grade point average of 3.3 or above for 1st and 2nd trimester are invited to our Honor Roll Recognition Celebration. Parents

will receive an invitation for the Honor Roll Celebration which occurs at 8:00 AM.

Leadership Reward Events

STAND representatives typically participate in a special activity at the end of each year.

Presidential Academic Achievement Award

Any eighth grader who meets specific academic requirements (3.5 cumulative GPA or higher and high achievement on state or norm referenced tests) during his/her 7th and/or 8th grade years at Alki is given a special certificate signed by the President.

Teacher Rewards and Encouragement

Teachers at Alki go out of their way to let students know when they are doing a good job. Sometimes this takes the form of a verbal compliment, a pat on the back, a phone call home or a letter home.

Student Leadership

The Student Leadership class will develop activities throughout the school year that will honor and recognize students in a positive way.

SCHEDULE CHANGE POLICY

Our goal is to resolve any issues that may arise in the classroom with the least disruption to the student. Before a schedule change of any kind is considered the following steps must be taken:

1. Parent(s) should make contact with the teacher to discuss the issue(s) and come to an agreement on how to resolve the problem.
2. Provide a two-week window in which to measure the success of the resolution.
3. If the problem is not resolved, the parent may contact their son/daughter's counselor or administrator to discuss the issues.
4. The administrative team (counselor, administrator, and teacher) will meet to discuss further action and to decide if a change would be in the best interest of the student.
5. If a schedule change is warranted, the student will be placed in another class based on the student's schedule and classroom numbers. Please note that this may involve changing the student's entire schedule.

SCHOOL CLOSURE INFORMATION

During times of inclement weather, it may be necessary to delay or cancel school. The best source of information for school closures is the local radio, local television, and VSD website. Also you can call the VSD School Closure info line: 313-1401.

STUDENT MANAGEMENT SYSTEM

The student management plan at Alki is a comprehensive guide for behavior with a threefold purpose:

- To help students become responsible citizens of their families, communities, nation, and world.
- To maintain an environment where students can learn and teachers can teach.
- To provide a physically and psychologically safe environment for all students.

Level One: The Classroom The foundation of any student management is the classroom. Each teacher will:

- Send home information regarding their academic and behavioral expectations for their classrooms and their plan for handling students who do not meet these expectations.

- Post rules in each classroom.

- Establish specific safety and procedural expectations.

When concerns arise, the teacher will generally use the following interventions to encourage students to modify their behavior:

- Teacher/Student conference
- Phone call/note to parents
- Detentions
- Teacher/Parent conference
- Removal from class

In the event that teacher interventions fail to help students improve their behavior, then the student will be moved to level two.

Behaviors of a serious nature may necessitate immediate referral to an administrator.

Level Two: The Building Administrators If inappropriate behavior continues after teacher interventions, the student will be referred to a building administrator for detention, Saturday School, suspension, or expulsion.

- Friday School is held at Alki from 3:30-5:00 p.m. Students are expected to bring materials for a silent study time. In addition, students will help with campus clean-up. There is no transportation provided.

- Short term suspension is 1-10 days; Long term suspension is 11 or more days.

In addition to the rules specific to Alki, students are also governed by the District and State rules and regulations found in Vancouver School District Regulations and Policies in the back of the handbook.

IF A CONCERN ARISES:

- If the situation involves a staff member, please contact that staff member first to discuss the issue.
- If the situation is one where a counselor might be of assistance, contact the counselor.
- The next in line for an appeal is an Associate Principal.
- If the parent or student has not reached a satisfactory resolution to the problem after following the preceding steps, contact the Principal.
- The next step for appeal would be the Chief of Secondary Education. In the event of an appeal of a suspension or expulsion, the Office of Student Welfare and Attendance should be contacted.

WHAT TO DO IF...

I get lost: Go to the nearest teacher or to the office to get help.

I forget my schedule: Get a pass from your teacher to go to the office or counseling center.

I get sick during the day: Report to class; tell your teacher, and you will be given a pass to the office to go to the health room. If you are at lunch, talk to a person on duty. If it is between classes, go to your next class and get a pass from that teacher.

I need to take medication during the day: Your parent must bring the medicine to school in the original container along with directions for use from your doctor. It will be kept for you in the office.

I am absent: Have your parent call the school saying you will be absent. On the day you return, bring a note from a parent or guardian to the attendance office as soon as you arrive to school. Absences must be excused by a parent phone call or note within 3 days.

I am late to school: Bring a note from home explaining why you are late and go directly to the attendance office to check in.

I have an appointment during the school day: Bring a note from home asking to have you excused and explain why. Take it to the attendance office first thing in the morning to get a dismissal slip. When it is time to leave, show this to your teacher before leaving.

Parents must sign you out in the attendance office (leaving without signing out is considered a truancy). If you return to school that day, be sure to check back into school at the attendance office.

I need to use the restroom: Restrooms are available in the gym, in the locker rooms, and on both ends of the cafeteria. Plan to use restrooms during Wellness class and lunch. If you need to use the restroom at other times, get a pass from your teacher first. There are also restrooms in the South House for use by sixth graders.

I want to go to the Media Center: Ask a teacher for a pass. Permanent passes for before school or lunch time use are available in the Media Center; ask for one before or after school or during passing time.

I have a concern or witness a problem during the school day: Classroom teachers, counselors,

administrators, and office staff will all help students with problems and concerns. Options include:

1. Talk to your teacher and ask for assistance. If they cannot help you solve the problem, they will relay the concern to the appropriate person.
2. Fill out an appointment request slip in the office to see a counselor or administrator. You will be called down as soon as possible.
3. If the problem is truly urgent, ask your teacher to call the office to arrange for someone to see you immediately.

I need to make a phone call: Calls should be made during lunch times or before or after school. Office phones are available for emergency use only.

I want to ride the bus home with a friend: Bring a note from home asking that you be allowed to ride your friend's bus. **The note must be taken to the office before school or at lunch to be stamped.** The note must include the date and parent signature. **Because of overcrowding on the busses, this may be limited to emergency situations only.**

VPS 1:1 TECHNOLOGY RESPONSIBLE USE AND SAFETY AGREEMENT

PURPOSE: Vancouver Public Schools (VPS) may issue students a one-to-one technology device (an iPad or laptop computer for use at school and at home) as a means to promote achievement and provide flexible learning opportunities. This agreement provides guidelines about expectations for students and families who are being issued these one-to-one (1:1) devices. In addition to this agreement, the use of district-provided technology requires students to abide by the VPS Technology Use Guidelines as stated in the Student Code of Conduct.

Our expectation is that students will responsibly use district technology and that they understand the appropriate and responsible use of both the technology and district network resources. We also expect that students will make a good faith effort to keep their 1:1 devices safe, secure and in good working order. This agreement includes the following specific responsibilities and restrictions.

RESPONSIBILITIES - The student will:

1. Charge their 1:1 device at home nightly, bringing it to school each day with a full charge.
2. Communicate Responsibly! Electronic communication should be conducted in a polite manner, using appropriate language and avoiding profanity and offensive or inflammatory speech. Cyber bullying, including personal attacks or threats toward anyone made while using district owned or personally owned technology, should be reported to responsible school personnel!
3. Back up important data files regularly. VPS may update and maintain 1:1 devices by periodically imaging them. Students will be notified of this maintenance in advance when possible, however all student files should be saved to on-line storage space regularly to insure data is not lost when maintenance is required. Ask for assistance if you do not know how to back-up files. In any event, the district does not guarantee that data loss will not occur and is not liable for such loss.
4. Use technology for school-related purposes during the school day. Use for commercial or political purposes is prohibited.
5. Follow copyright laws and fair use guidelines and only download/save music, video or other content that are related to specific assignments. District technology is not provided to house personal music or video libraries
6. Make the 1:1 device available for inspection by any administrator or teacher upon request. All electronic communication, activities and files accessed on district technology are not private and may be viewed, monitored or archived by the district at any time.

RESTRICTIONS - The student will not:

1. Mark, deface, or place stickers on the iPad, laptop, or district-issued cases.
2. Reveal or post identifying personal information, files or communications to unknown persons through email or other means.
3. Attempt to override, bypass or otherwise change the security settings, Internet filtering, network settings, or other device settings. All student 1:1 computing devices are configured so that Internet content is filtered both at school and when on any other network.
4. Attempt access to networks and other technologies beyond their authorized access. This includes attempts to use another person's account and/or password or access secured wireless networks.
5. Share passwords or attempt to discover passwords. Sharing a password is not permitted and could make you subject to disciplinary action and liable for the actions of others if problems arise with unauthorized use.
6. Download or install any unauthorized programs, files, or games from the Internet or other sources onto any district-owned technology. This includes the intentional introduction of computer viruses and other malicious software.
7. Loan your 1:1 device or charger and cords to anyone else, leave the 1:1 device in a vehicle, leave it unattended at any time, or eat/drink while using the 1:1 device.
8. Tamper with computer hardware or software, attempt unauthorized entry into computers, and/or vandalize or destroy the computer or computer files. Intentional or negligent damage to computers or software may result in criminal charges.
9. Attempt to locate, view, share, or store any materials that are unacceptable in a school setting. This includes but is not limited to pornographic, obscene, graphically violent, or vulgar images, sounds, music, language, video or other materials. The criteria for acceptability is demonstrated in the types of material made available to students by staff and the school media center.

Please note that while district 1:1 devices are actively filtered and managed to restrict access to inappropriate or non-educational content, the district cannot guarantee that students will not intentionally or unintentionally access content that may be deemed unacceptable.

By signing this agreement you agree to abide by the conditions listed above and assume responsibility for the care and proper use of VPS district-issued technology. You understand that should you fail to honor all the terms of this

agreement, access to 1:1 technology, the Internet, and other electronic media may be denied in the future. Furthermore, students may be subject to disciplinary action outlined in the VPS Student Code of Conduct.

Fiscal Responsibility: The district has worked hard to limit the financial responsibility for families of students issued 1:1 devices. If a device is damaged, lost or stolen due to willful negligence, the family may be responsible for the full cost to repair or replace the 1:1 device. In cases of accidental damage, the iPad will be repaired up to two times per year at no cost to the family. If the device is lost or stolen, the fine for iPad replacement will be \$99.00 and laptop replacement will be \$199.00.
